Do you want to learn how to "see", sketch, and paint palm

trees and figures in your Florida beach landscapes? Learning to set up and design your compositions, as well as, understanding values will be part of the lesson. Bonnie, a career teacher, will demonstrate as she teaches, and provide individual attention as needed.

Books featuring her work include Karlyn Holman's *Watercolor - The Spirit of Spontaneity*, *Searching for the Artist Within*, and *Watercolor Fun and Free*.

Since Bonnie will be vacationing here with friends, the league's expenses are reduced, and we can pass this savings on to you.

Maximum participants: 15
