IT'S ONLY PAPER - WATERCOLOR WORKSHOP

Instructor: Nancy Colby

Friday May 13th, 2011 from 9:00AM - 4:00PM

Member fee \$60 / Non-member \$80

This workshop will focus on many of the basic techniques of transparent watercolor as we work together. We'll use these skills: Wet-into-wet, wet on dry, layering and negative painting to accomplish this egret nestled into dense foliage. Basic to intermediate skills are required. We'll draw the image together and we'll save whites without masking fluid! Each element in the painting will be demonstrated to the class. Individual instruction will be given as we continue to develop the painting together. At the first workshop the students will have an opportunity to select the subjects for the other workshops taught by Nancy throughout the summer. Bring a bag lunch.

A supply list will be provided when you register.
