Joe is a distinguished art educator who has been teaching workshops nationally and through-out Canada for many years. The students will be given projects to work on, and these are designed to bring the students to a higher level of achievement during the 3-day workshop. There will be a variety of subject matter. Short demos to problem solve, followed by individual attention to aid each student's success.

A few of the things you will learn in Joe's workshop are:

- \* Techniques to take the guesswork out of how to move your colors to create balance and movement
- \* Controlling the moisture on your brush and your paper
- \* Glazing the colors to enhance the effects
