.....

SHOWS

February has a triple show. “FINE FEATHERED FRIENDS” will feature bird paintings to work in conjunction with the Friends of Wildlife OWL FEST. Originally planned as a weekend show, the board decided to have the show hang for the month of February in the main gallery. The show will be juried and judged and will be open to all artists of SW Florida. “CLASS ACT” will hang in Studio 1 and will be open to all class members, open painting, portrait drawing and workshop paintings. There will be no fee or ribbons as this is a showcase of our members work. No work can be older than 2 years. A prospectus will be sent out to the membership. We also will be holding a children’s show for works done in conjunction with the Friends of Wildlife. More information will be available once plans are finalized. Receiving will be held Monday, March 5th from 12 to 3 pm.

March has “The Arts of March”, our annual juried and judged show open to all members of the Art Council of SW Florida. Receiving is March 5th from 12 to 3 pm. Prospectus will be on our website. Reception is Thursday, March 8th from 5 to 7 pm.

SCHOLARSHIP SHOW will be held at the same time in the middle gallery. Carmen Sprague, Chairman will award the prizes and conduct the Scholarship Raffle. **IT’S TIME TO TURN IN YOUR SCHOLARSHIP RAFFLE TICKETS IF YOU HAVE DONE SO ALREADY.** The League greatly appreciates your participation.

.....

JANUARY SALE & SHOW was a huge success and we thank all those members who volunteered their time to help make this event a big success. Pamala Morton and Barb Valentine were co chairs with Linda Wildman, Susie Nelke, Doris Poissant and Marjorie Ewell on their committee. Many more members helped with set up and tear down and manning various posts in the building. Our thanks to all.

ART COUNCIL OF SW FLORIDA MEETING AT CCAL

Art Council of SW Florida will meet at CCAL on Tuesday, February 14th at 9:30 am. Marjorie Ewell and Suzanne Sims are the chairmen of this event. We will be serving morning refreshments and ask that some volunteers step forward to help prepare the room Monday, Feb. 13 at 1 pm and to help serve the refreshments of coffee, tea and juice, buns and fruit in the morning. This event happens every 2 years or so and we want to present a good showing of members at the meeting. The Demo will be Carl Schwartz, local well known artist and retired professor at **FGCU** will be speaking about Critiquing and requests that attendees bring 1 or 2 paintings they would like remarks on. Call the office at 239-772-5657 to volunteer to help

Lots of fun at the Cape Coral Art Festival Jan. 28 & 29, 2012
